

For District Attorney 2010

**DEAR MEMBERS OF THE
MECKLENBURG COUNTY BAR:**

The Honorable Peter S. Gilchrist III, who has faithfully served Mecklenburg County for over 30 years as the District Attorney, will not be seeking re-election this term. We are writing to ask you to support Andrew Murray in his campaign to be the next District Attorney of our great county.

Andrew has distinguished himself both professionally and in his community. As a former Assistant District Attorney, Andrew prosecuted hundreds of cases ranging from traffic violations and general misdemeanors to serious felonies. For the last 17 years, Andrew has practiced law in both state and federal court. He is currently the managing partner at Goodman, Carr, Laughrun, Levine, Murray & Greene P.A. Many of you are familiar with his criminal defense work – an area of the law in which he has distinguished himself much as he did as a prosecutor. He has worked with the Police Benevolent Association and the Fraternal Order of Police for ten years in civil service matters. The sum of his vast experience will be brought to bear in handling the high volume of criminal cases in Mecklenburg County.

Andrew's 29 years of service to our nation has been equally outstanding. He enlisted in the United States Coast Guard and was on active duty for six years before leaving for the civilian world. He is now a Commander in the Reserves with top secret security clearance at the Coast Guard's Headquarters in Washington, DC. The focus of his service with the Coast Guard has always been law enforcement and homeland security. Managing a reserve forces unit of over 200 has also given him real-world leadership experience.

We believe that Andrew's resume puts him in a unique position to have the vision to improve the administration of justice in Mecklenburg County. It will help him forge the relationships which will be necessary to create a criminal justice system that the citizens of this county will be proud of – one that puts protecting our community first.

As Mecklenburg County continues to grow and prosper, the need for its citizens to be protected is vital. The District Attorney must be equipped to utilize the resources at hand to keep the citizens of this county safe. They must be dedicated and have a steadfast commitment to community protection, leadership, and the rule of law. Andrew Murray has devoted his life to serving his country and his community. He continues this dedication to public service in his quest to be the next District Attorney and we champion his candidacy. We urge you to join us in support of Andrew Murray for District Attorney of Mecklenburg County.
